# Welcome FELLOW TRAVELERS!

We are excited to be adventuring far and wide again, gaining life-enriching experiences and making meaningful connections throughout the world. Our expert guides are now all back in the field doing what they love, exploring trails and rafting rivers with you, and sharing in the spirit of adventure travel.

For 2023, we've pushed our explorations further and have brand new offerings in Tajikistan's Fann Mountains, the Portuguese Island of Madeira, the new Patagonia National Park, and even in southern Iraq! As always, our groups are kept small and we work with expert local guides to ensure deep first-hand perspectives.

We are also celebrating 50 years of rafting! In 1973, Sobek Expeditions made its first commercial rafting descent of Ethiopia's Omo River and we've been on the water ever since. Look out for our *Rafting 50 Years* emblem and special anniversary adventures.

As I reflect on my own recent travels with my family in the Galápagos Islands, I'm reminded how much our experience was made deeper and richer by the presence of our MT Sobek guides, and by the connections made with our small group of fellow travelers. My daughter will never forget her trip, and neither will we. Here's to making life-long memories through adventure travel!

We hope to see you on a trip with us soon.

Massimo

Massimo Prioreshi  
PRESIDENT & CEO

PS – I'll be out in the field in 2023 on several of our trips in various destinations including Japan, Lebanon, Iraq, and Borneo. Come join me!

# The Big Difference WITH MT SOBEK

## Unrivaled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Tour Company in 2022 by USA Today's 10 Best Readers' Choice Awards.

## Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail—the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

## Small Groups

We keep our groups intentionally small—usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With such a small number of people, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

# Leading the Way

## ALL OVER THE WORLD

### World-Class Local Guides

Our knowledgeable and passionate expert guides effortlessly create an immersive local experience for you. They are trained to the highest professional standards and are at the heart of everything we do. They make it possible to meet the challenges of adventure travel, and help create lasting memories and lifelong friendships. Consistently rated 4.8 out of 5 by guests, we can confidently say our guides are the best in the business.

### Wildlife Conservation

As firm believers in the ethos of “take only pictures, leave only footprints,” we strive to tread lightly on all our trips. We also support worthwhile organizations such as the Galápagos Conservancy, The Fund for the Tiger, Alaska Conservation Foundation, and Namibia’s Conservation Travel Foundation.

# Our Ways to Adventure

**Hiking & Trekking** We founded the concept of small group hiking and trekking in the Himalayas in 1969. It is at the heart of what we do. From the Camino de Santiago to the Tour du Mont Blanc to Everest Base Camp, MT Sobek presents you with a hiker's masterclass, led by the world's best guides—so popular that people often return to hike with them year after year.

**Rafting & Kayaking** Since pioneering the first commercial rafting trip on Ethiopia's Omo River in 1973, we've been planning and leading river rafting adventures across the globe—taking guests deep into some of the world's most beautiful and remote destinations. In 2023, we are celebrating 50 years on the water with adventures in Alaska, Idaho and Utah, and on Zambia's legendary Zambezi! Visit [www.mtsobek.com/rafting](http://www.mtsobek.com/rafting) for details.

**Wildlife & Safari** In 1971 we scouted the first ever walking safari in East Africa. Our routes venture off the beaten path and explore less crowded trails. From one-of-a-kind safaris in Tanzania and Botswana, to epic encounters with Bengal tigers in India and Nepal, MT Sobek gets you closer to wildlife than any other company—right in the heart of the wild.

**Adventure Cruising** There's cruising and then there's adventure cruising, where nimble boats navigate narrow waterways and anchor in remote coves. Our adventures span the globe and offer a unique way to experience the world. Join us aboard a luxury yacht or catamaran in the Galápagos Islands, cruise Alaska's Glacier Bay on a historic ship, or explore Antarctica and the Arctic on small ice-strengthened expedition vessels.

**Cultural Discovery** From our first foray into the kingdom of Nepal in 1969, we've traveled with a natural curiosity, an open mind, and with a deep respect for the cultures we encounter. Our local guides skillfully navigate the intricacies of undertaking cultural journeys in destinations such as southern Iraq and Kurdistan. We travel to some of the most exciting and colorful festivals in Asia, attend the annual camel fair in Rajasthan, and take tea in a traditional Japanese ryokan.

**Multi-Adventure** Mix it up on an active multi-adventure that combines a blend of thoughtfully-planned activities including hiking, rafting, kayaking, horseback riding, snorkeling, camel riding and more. We handle all the logistics so you can concentrate on the fun of exploring and experiencing a destination to the fullest.

**Family Adventures** Our family trips are perfect for world explorers of all ages! Swim with sea turtles in the Galápagos, zipline through the treetops in Costa Rica, or encounter orangutans in Borneo. Build a lifetime of memories!

# Unique Stays

## Unwind, Relax & Sleep Soundly

When it comes to accommodations, MT Sobek seeks out small, boutique hotels and lodges that truly represent a destination. These lodgings treat you to the “must-have” experiences of the region, whether by opening the door to a treasured encounter with the local culture or by placing you in spectacular natural settings.

Revel in pure luxury at our hand-picked 5-star hotels and elegant safari lodges, or enjoy the boutique feel of comfortable hotels with local flair. Those venturing further off the beaten path will delight in rustic lodgings, such as mountain huts, or sleep well with fully supported camping. Our classic adventure cruises are all aboard well-appointed small ships, yachts, and catamarans for the ultimate insider experience.

# Great Global Gastronomy

## Deliciousness & Delights Abound

To truly know a place, you should first discover its food. One taste can tell you about its history, its culture and its people. At MT Sobek, we're big believers in sampling the local fare and unique dishes everywhere we go.

We've found the perfect balance between fueling the body and feeding the soul. From farm-to-table delights on the Istrian Peninsula, or classic campfire cooking on our rafting trips, our goal is to nourish you. Whether you're climbing Kilimanjaro, rafting the Salmon River or trekking to Machu Picchu, you'll enjoy mouthwatering delicacies and culinary heritages.

# Travel Your Way

At MT Sobek, we work with the most reputable guides, who are intimately connected to the places and communities that we visit. This is key for our carefully crafted adventures in the Africa and the Middle East, and especially our new adventures in Saudi Arabia and southern Iraq. ANTARCTICA FLY & ADVENTURE CRUISE

# Polar Cruising

The poles are the two last bastions of raw wilderness—massive, icy horizons painted in electric blue. Scarcely habitable by humans, yet teeming with unusual wildlife, this is as remote as Earth gets. MT Sobek has been sailing polar waters for over 30 years in search of rare wildlife and progressive adventure. We choose to cruise aboard small, highly navigable ice-strengthened vessels (not behemoth cruise ships), enabling us to easily navigate glacier filled fjords, and hop into Zodiacs and kayaks for up-close wildlife encounters ashore.

ANTARCTICA

Journey through narrow straits of jaw-dropping majesty and gaze at vast glaciers of incandescent blue on this trip of a lifetime. A two-hour flight from Punta Arenas brings you to Antarctica's doorstep where you'll board your comfortable expedition ship. Few places on Earth make a deeper or more lasting impression than Antarctica.

## CANCELLED TRIPS

MT Sobek reserves the right to cancel any trip due to inadequate enrollment or other cause that makes the trip unfeasible for us to operate but will inform you at least 45 days prior to departure. In such a case, a full travel credit toward a future trip or refund of Land/Cruise Cost is given, except in those instances such as epidemics where prepaid deposits or irrevocable commitments cannot be returned or reversed. In any event, MT Sobek will provide alternative travel dates for a postponed trip. If a refund is sought, only recoverable funds will be provided. MT Sobek is not responsible for additional expenses incurred by members preparing for the trip (e.g., non-refundable Advance Purchase air tickets, visa fees if applicable, clothing, equipment, or medical expenses). Do not purchase your air tickets before speaking with your Adventure Coordinator.

If a trip is cancelled or postponed due to force majeure (war, labor strikes, earthquakes, flooding, epidemic, a major world event adversely affecting international travel patterns, etc.), MT Sobek will provide a travel credit or refund the portion of the trip cost that is recoverable after using good faith efforts to recover payments already advanced to suppliers (hotels, transportation companies, etc.) We will refund the balance as promptly as possible. However, MT Sobek does not guarantee recovery of any or all of the advance payments made, and our use of good faith efforts to recover these payments will not include the institution of any legal proceedings. MT Sobek is not responsible for expenses incurred by trip members in preparing for a cancelled or postponed trip (e.g., non-refundable purchase of air tickets, visa fees, inoculations, equipment, etc.) or for any additional arrangements should the trip member depart prior to the scheduled group departure date.

## BAGGAGE

MT Sobek assumes no liability for loss or damage to baggage in transit to and from a MT Sobek trip or while on a MT Sobek trip. We strongly recommend that you purchase the optional travel protection plan.

## TRIP PRICE

Prices are per person based on double occupancy, quoted in US dollars, and are set well in advance of the trip departure date. Our prices vary depending on a variety of cost factors, with more popular travel dates being the most expensive. Prices may change during the course of the year. You can always find the most current prices on our website, or by calling us. Once you book your MT Sobek trip, your trip price is guaranteed. Local taxes may be charged on some trips. †Does not apply to fuel surcharges on internal air and trips with a cruise component.

## AIRLINES

The airlines are not to be held responsible for any omission, act, or event during the time passengers are not on board their planes or conveyance. The passage contract in use by the airlines concerned, when issued, shall constitute the sole contract between the airlines and such purchasers of these tours and/or passenger. Such conveyance, etc. is subject to the laws of the countries involved.

Airlines used vary in degree of safety and risk. Some foreign air carriers have an unknown safety and maintenance record. MT Sobek is not liable for incidents involving airline safety, risk, delays, etc., or incidents that result in injury, delay, or death.

## MEDICAL & HEALTH

It is vital that persons with medical problems make them known to us well before departure. The Adventure Guide has the right to disqualify anyone at any time during the trip if he or she feels the trip member is physically or mentally incapable or if a trip member's continued participation will jeopardize the individual involved or the group. Refunds are not given under such circumstances. Hospital facilities are often unavailable and evacuation can be prolonged, difficult, and expensive. MT Sobek assumes no liability regarding provision of medical care. You will need to provide us with your medical history and any dietary restrictions as requested in the required documentation.

If you participate on certain designated trips including those with the Activity Level of "Level 5", the Physician Certificate must be signed by your physician. Once you have been confirmed on a trip, normal cancellation fees apply if your doctor does not approve the Physician Certificate. We can send you this form prior to you making your reservation so your doctor can pre-approve you. **The State Department and the US Centers for Disease Control and Prevention** periodically issue statements, advisories, and warnings about risks to travelers. These statements are country specific and contain important information. We strongly urge all participants to review any State Department warnings, alerts, advisories, and destination specific information at [www.travel.state.gov](http://www.travel.state.gov) as well as specific health information for their destination at [www.cdc.gov](http://www.cdc.gov).

Screening for fitness (for trips rated "Level 4" or "Level 5") is made by our Trip Consultants at the time of booking. At the Adventure Guide's discretion, a member may be asked to leave the trip at their own expense and without right of refund if the Adventure Guide feels that the person's further participation may be detrimental to the individual or to other trip members for any reason including illness, physical inability to participate at trip level, disruptive behavior, etc. Please visit <https://www.mtsobek.com/code-of-conduct/> to review MT Sobek's Code of Conduct.
