Day 8

Sunrise Wildlife Safari in Grand Teton National Park-Afternoon at Leisure

Wake early for a private guided morning wildlife safari in Grand Teton National Park. The animals are most active at dawn and dusk, taking advantage of the cooler temperatures. Throughout the morning you may observe grizzly bears, black bears, elk, bison, moose, wolves, big horn sheep, mule deer, coyotes, trumpeter swans, and golden and bald eagles. The light and color in the valley is also spectacular this time of day, perfect for photography. You will return to the hotel around 11:00 AM.

You will have the afternoon free to relax or explore more of the area on your own. This afternoon you may consider exploring the Jenny Lake area in Grand Teton National Park. This is one of the most spectacular spots in Grand Teton National Park and can be crowded in the summer months. Here you can hike the trails around the lake or take the passenger boat across the lake and hike to Hidden Falls and Inspiration Point. Consider stopping at the historic Jenny Lake Lodge for lunch. Housed inside a 1930's-era log cabin nestled in the woods at the base of the Teton Range the Dining Room features rustic elegance and locally sources high-quality sustainable meals, with many ingredients coming from the surrounding Jackson Hole area. NOTE: The Dining Room is open June-early October and reservations are highly recommended.

Other activity suggestions for this afternoon are a scenic tram ride to the top of Rendezvous Mountain at Jackson Hole Mountain Resort or exploring downtown Jackson which has many wonderful galleries, shops and restaurants.
