# The MT Sobek Difference

## Unrivaled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. To add to our many accolades, we were named Best Adventure Tour Company in 2022 by USA Today's 10 Best Readers' Choice Awards.

## Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail—the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

## Small Groups

We keep our groups intentionally small—usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With such a small number of people, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

# Leading the Way

## World-Class Local Guides

Our knowledgeable and passionate expert guides effortlessly create an immersive local experience for you. They are trained to the highest professional standards and are at the heart of everything we do. They make it possible to meet the challenges of adventure travel, and help create lasting memories and lifelong friendships. Consistently rated 4.8 out of 5 by guests, we can confidently say our guides are the best in the business.

# Treading Lightly

## Wildlife Conservation

As firm believers in the ethos of “take only pictures, leave only footprints,” we strive to tread lightly on all our trips. We also support worthwhile organizations such as the Galápagos Conservancy, the Fund for the Tiger, Alaska Conservation Foundation, Namibia’s Conservation Foundation, and the American Himalayan Foundation.

# The Ways We Travel

**Hiking & Trekking** We founded the concept of small group hiking and trekking in the Himalayas in 1969. It is at the heart of what we do. From the Camino de Santiago to the Tour du Mont Blanc to Everest Base Camp, MT Sobek presents you with a hiker's masterclass, led by the world's best guides—so popular that people often return to hike with them year after year.

**Rafting & Kayaking** We've been leading river rafting adventures across the globe since 1973, when we pioneered the first commercial rafting trip on Ethiopia's Omo River. From the Middle Fork of the Salmon River in Idaho, to the Colorado River in Utah, to Alaska's Hula Hula, Alsek, and Tatshenshini—join us on one of our legendary rafting trips and experience the thrill of whitewater rafting in some of the most stunning natural settings on Earth.

**Cultural Discovery** From our first foray into the kingdom of Nepal in 1969, we've traveled with a natural curiosity, an open mind, and with a deep respect for the cultures we encounter. Our local guides skillfully navigate the intricacies of undertaking cultural journeys in destinations such as southern Iraq and Kurdistan. We travel to some of the most exciting and colorful festivals in Asia, view masked dances and Voodoo rituals in West Africa, and partake in traditional tea ceremonies in Japanese ryokan.

**Wildlife & Safari** In 1971 we scouted the first ever walking safari in East Africa. Our routes venture off the beaten path and explore less crowded trails. From one-of-a-kind safaris in Tanzania and Botswana to epic encounters with Bengal tigers in India and Nepal, MT Sobek gets you closer to wildlife than any other company—right in the heart of the wild.

**Adventure Cruising** There's cruising and then there's adventure cruising, where nimble boats navigate narrow waterways and anchor in remote coves. Our adventures span the globe and offer a unique way to experience the world. Join us aboard a luxury yacht or catamaran in the Galápagos Islands, explore the southernmost tip of South America, or venture into the remote terrains of Antarctica and the Arctic on small ice-strengthened expedition vessels.

**Multi-Adventure** Mix it up on an active multi-adventure that combines a blend of thoughtfully-planned activities such as hiking, rafting, kayaking, horseback riding, snorkeling, camel riding, and more. From dog sledding in Alaska, canoeing in Zimbabwe, snowshoeing in Yellowstone, or zip-lining in Costa Rica—we handle all the logistics so you can concentrate on the fun of exploring and experiencing a destination to the fullest.

## Family Adventures

Our family trips are perfect for world explorers of all ages! Swim with sea turtles in the Galápagos, zip-line through the treetops in Costa Rica, or encounter orangutans in Borneo. Build a lifetime of memories!

## Activity Levels

# Unique Stays

## Unwind, Relax & Sleep Soundly

These lodgings treat you to the “must-have” experiences of the region, whether by opening the door to a treasured encounter with the local culture or by placing you in spectacular natural settings.

Those venturing further off the beaten path will delight in rustic lodgings, such as mountain huts, or sleep well with fully supported camping. Our classic adventure cruises are all aboard well-appointed small ships, yachts, and catamarans for the ultimate insider experience.

# Great Global Gastronomy

## Deliciousness & Delights Abound

To truly know a place, you should first discover its food. One taste can tell you about its history, its culture, and its people. At MT Sobek, we're big believers in sampling the local fare and unique dishes everywhere we go.

We've found the perfect balance between fueling the body and feeding the soul. From farm-to-table delights on the Istrian Peninsula or classic campfire cooking on our rafting trips, our goal is to nourish you. Whether you're climbing Kilimanjaro, rafting the Salmon River, or trekking to Machu Picchu, you'll enjoy mouthwatering delicacies and culinary heritages.

# Polar Cruising

The poles are the two last bastions of raw wilderness—massive, icy horizons painted in electric blue. Scarcely habitable by humans, yet teeming with unusual wildlife, this is as remote as Earth gets. MT Sobek has been sailing polar waters for over 30 years in search of rare wildlife and progressive adventure. Cruise with us aboard small ice-strengthened vessels (not behemoth cruise ships), which easily navigate glacier-filled fjords, and hop into Zodiacs and kayaks for up-close wildlife encounters ashore.

“We have done six trips with MT Sobek including the Arctic and the Antarctic! The itineraries are amazing, the guides are world class and the logistics are spot on.
