Today travel by 4X4 vehicle to the Savute Channel, Botswana's fabled "Stolen River" which stretches from the Linyanti River all the way to the Savute Marsh with its winding waterways. This fickle and unpredictable channel in Chobe National Park has a fascinating history of flooding and drying up independently of good rainy seasons and flood levels elsewhere — a mystery that has intrigued geologists and researchers. Check in at Savute Safari Lodge, meet your Safari Host, and head out on one of the guided activities.

**Activity:** 4X4 safari drives

**Meals:** B, L, D

## DAY 6

### SPOT WILDLIFE IN CHOBE NATIONAL PARK

This wild and remote corner of Chobe National Park is renowned for its population of bull elephant and for the unique interaction of the resident predator species. Look out for these wildlife spectacles on private game drives in open 4X4 safari vehicles. Another possible excursion is a visit to the ancient San rock paintings at Gubatsa Hills, a small hilly outcrop which forms a remarkable landmark in the otherwise flat landscape.

## DAY 7

### SEE THE ELEPHANT HERDS OF CHOBE NATIONAL PARK

Upon arriving to Chobe Game Lodge, meet your Safari Host, who will help plan your stay and ensure it is unforgettable.

Don't miss taking the elevated boardwalk that leads from the lodge along the river to the "Chobe Deck of Fame," overlooking Water Cart. These vast floodplains are visited by hundreds of elephants at certain times of the year — one of the world's best elephant viewing experiences. Head out on privately guided activities — both game drives and boat cruises depart three times daily. You may be able to experience a drive in an electric 4X4 safari vehicle and a ride on a fully solar- or electric-powered boat. Gather for a farewell dinner tonight.
