Unrivaled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Tour Company in 2022 by USA Today's 10 Best Readers' Choice Awards.

Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail — the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

Small Groups

We keep our groups intentionally small — usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With a smaller group size, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

Leading the Way

World-Class Local Guides

Our knowledgeable and passionate expert guides effortlessly create an immersive local experience for you. They are trained to the highest professional standards and are at the heart of everything we do. They make it possible to meet the challenges of adventure travel, and help create lasting memories and lifelong friendships... we can confidently say our guides are the best in the business.
