## Meet Our Guides

Our expert guides and trip leaders are truly the key to our trips' success. Many are locals who live in-country year-round; others have made it their second home—all are passionate, enthusiastic and endlessly knowledgeable. Meet two of the guides that might be on your trip.

Andy was born at Shrobe, a remote cattle post about 20 miles from Maun in Botswana. As a young boy, Andy would go into the bush with his grandfather and learn about native flora and fauna, and aspects of local history. Andy began guiding safaris in 1987 and has decades of experience leading mobile expeditions — including setting up camp, cooking, collecting water and wood, guarding camp, and vehicle repairs. Andy qualified as a professional guide in 1996, and has been guiding expeditions between Victoria Falls and Maun ever since.
