Next, enjoy a spectacular sundowner game drive through CCF's own "Little Serengeti" and the Bellebenno Reserve, an expansive and picturesque open plain. Look out for giraffe, zebra, lion, rhino, elephant, and various antelope species such as oryx and the endemic black-faced impala across the park's scrub-covered plains. Discover Dramatic Damaraland

After an early breakfast, continue southwest to Damaraland - a vast and rugged region with table-top mountains and unusual rock formations.
