MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Tour Company in 2022 by USA Today's 10 Best Readers' Choice Awards.

Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail — the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

Visit Local Communities

This morning you'll explore nearby communities with local guides who are the key to authentic cultural experiences for park visitors. You'll have a chance to engage with locals and share in part of their daily life, customs, and traditions. Explore Kigali & Head to Volcanoes National Park

This morning head out for a guided tour of Kigali and visit the moving Kigali Genocide Memorial, the final resting place for more than 250,000 victims of the genocide against the Tutsi. After lunch at Hotel Des Mille Collines (known for its role in the film Hotel Rwanda), take a drive to Kinigi town at the foot of Virunga Mountains, passing lush hills and mist-shrouded valleys. After breakfast, take a short drive to the park headquarters and meet with local trackers for a talk on the etiquette of gorilla tracking, then hike with a guide through misty rainforest to encounter these gentle giants. Trekking can take anywhere from 1 to 6 hours, on rough and at times muddy terrain; a reasonable degree of fitness is required. The experience of seeing your first mountain gorilla at close range in the wild is among the most extraordinary nature can provide. Trek back to the lodge for a hot lunch. In the afternoon, if time permits visit the Dian Fossey Center and the vibrant markets of Musanze.
