Our expert guides and trip leaders are truly the key to our trips' success. Many are locals who live in-country year-round; others have made it their second home—all are passionate, enthusiastic and endlessly knowledgeable. Meet two of the guides that might be on your trip.

Sergio was born and raised in Baja California Sur, and has a lifetime of experience exploring the region's beautiful land and seascape. He is a Wilderness First Responder, Level 3 Sea Kayaker, and is currently working on a dive master's certification. Sergio has worked in tourism since his time at Universidad in La Paz, where he earned a degree in Alternative Tourism. When he isn't leading trips, Sergio loves spending time outdoors with his son.

Sergio Mariscal

Alejandra was born in Mexico City, where she earned a degree in tourism, but soon found her passion for the ocean in Playa del Carmen on the Mexican Caribbean. After training to become a licensed dive master, Alejandra traveled the world as an instructor in places as far flung as Greece, Egypt, Thailand, and New Zealand. She returned to Mexico in 2014 and moved to La Paz, the capital of Baja California Sur on the Sea of Cortez, to expand her guiding career. When not guiding, Alejandra loves to read, listen to music, and take great photos.
