Unrivaled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Tour Company in 2022 by USA Today's 10 Best Readers' Choice Awards.

Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail — the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

Small Groups

We keep our groups intentionally small — usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With a smaller group size, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

KNOW BEFORE YOU BOOK

Itinerary

On day 7, our route utilizes small ladders and chains to assist in some steep sections of the path. While our guides will do their best to support anyone uncomfortable with this in some instances, the best option for avoiding this is to take a day to enjoy the lovely 4 star property in Corte.

The Itinerary

DAY 01

Arrive in Ajaccio, Corsica

Start the adventure in Ajaccio, the island's capital, and the birthplace of Napoleon. Transfer from the Ajaccio airport to the hotel, secluded along the untamed coastline. Have a briefing at 6pm, followed by a festive welcome dinner.

ACCOMMODATION: Cala di Sole, Ajaccio

MEALS: Dinner

DAY 02

Discover the Calanches de Piana

Meet the guides in the morning and transfer to the Calanches de Piana (about 90 minutes by car) for the first hike. Listed as a UNESCO World Heritage Site, these blood red pinnacles soar out of the jagged coastline, creating improbable inlets and shapes. The hiking trail meanders through the red rock, rising high above the plunging cliffs, with jaw-dropping viewpoints over the sea. Spot your home for the next three nights, the tiny port village of Porto nestled below the granite cliffs. Enjoy dinner together this evening.

TRANSPORTATION: 2.5-hour private van transfer

ACTIVITY: 3 hours/5 miles hiking with 1,530' elevation gain & loss

DAY 03

Explore the Village of Evisa & the Spelunca Gorge

Head into the hills and enter the village of Evisa, perched high above the sea, surrounded by vast forests of chestnut and pine. Follow the deeply encased Spelunca Gorge on a centuries-old mule track, which still has remnants of its cobbled path and stone walls. Enjoy a riverside picnic and an opportunity to swim. Take in Genoese bridges, 200-year-old marvels of stone architecture, and end in the equally charming village of Ota before returning to Porto. Enjoy dinner on your own at one of the restaurants on the port.

Take in the maquis vegetation of heather, boxwood, and Corsican pine, and descend to a secluded beach for a dip and a picnic. Continue along the Sentier du Facteur — "the mailman's path" — the one path a mailman took for 30 years to deliver the mail to the village of Girolata. Marvel at the handful of golden-stone homes huddled on a promontory above the bay. Return to Porto by boat and enjoy dinner together.

Get an early start and transfer to the Col de Vergio pass (60 minutes by minibus). Tackle the famous GR20 hiking path, the toughest and arguably most spectacular trail in all of Europe. Cover one of its most majestic sections, along switchbacks up to a grassy crestline with dazzling views to the sea below, and to the fairy-tale Lac de Nino Lake surrounded by deep-green grassy bogs with a backdrop of serrated summits. Continue by vehicle through canyon roads to reach the town of Corte, home for the next three nights.

Reach a remote shepherd's hut on a clearing with views of high summits, and savor a picnic lunch featuring local cheeses and charcuterie. Hike back and return to Corte by minivan.
