Unrivalled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Travel Company by Newsweek Readers' Choice Awards.

Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail — the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

Small Groups

We keep our groups intentionally small — usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With a smaller group size, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

ACCOMMODATION: Los Colibris Casitas, Todos Santos

MEALS: Dinner

TRANSPORTATION: 90-minute private van transfer

DAY 02

Cruise to Isla Espiritu Santo and Paddle in a National Marine Park

Start the day with a delicious Mexican breakfast, then transfer from Todos Santos to the Sea of Cortez port of La Paz to gear up with snorkeling equipment and wet suits at the bodega. Then it's into a private "panga" (a small motorized boat with seats and shade) and out into the Sea of Cortez! Arrive at Isla Espiritu Santo where the guides will lead a kayaking demonstration and safety class. After a quick lunch, set off for your first paddle! Isla Espiritu Santo is in a National Marine Park, part of a UNESCO World Heritage Site, and is one of the best marine life viewing destinations in the world. Whales, dolphins, whale sharks, sea turtles, manta rays, and plenty of beautiful tropical fish call the surrounding waters home, while a terrific range of bird species including Blue-footed Boobies, Reddish Egrets, Great Blue Herons, and Magnificent Frigatebirds frequent the island's skies and shores. The island itself is stunning, with magnificent towering cliffs, spectacular sandy bays, amazing lava rock formations, and rock art left by the now-extinct Guaycura and Pericu Indians. There's even an endemic ring-tailed cat, the babisuri. Plan to explore both above and below the ocean's surface and see some of the many marvels of land and sea. In the afternoon, arrive at camp and enjoy a happy hour and wonderful dinner prepared by your camp chef.

ACCOMMODATION: MT Sobek Camp, Isla Espiritu Santo

DAY 03

Play with Sea Lions at Los Islotes

Today will be a great day! Cruise by panga to Los Islotes, the permanent sea lion colony, and then set out on active explorations. Los Islotes is a very successful colony of about 600 individuals. Playing with the sea lion pups is truly one of life's great joys. Los Islotes doubles as a Blue-footed Booby colony as well. After the journey to Los Islotes, spend the balance of the day paddling in many of the beautiful bays and inlets of the island, and/or hike up from one of the beautiful beaches to get some spectacular views. Close out the day with another joyful happy hour and fantastic dinner by your camp chef.

MEALS: Breakfast | Lunch | Dinner

TRANSPORTATION: 30-minute motorized boat ride each way

ACTIVITY: Estimated 3 hours / 4 miles kayaking (actual distances vary)

Swim with Whale Sharks and Journey Back to Todos Santos

Depart from Isla Espiritu Santo this morning and head back to La Paz. Then, conditions permitting, set out in a special permitted boat to seek out and swim with the largest fish in the world - the whale shark! Of course, you may be asking yourself: is it a whale or is it a shark? Hint: whales are mammals and sharks are fish. These gentle giants feed on plankton in the Bay of La Paz (so all human flesh is safe), and it is here that you may have the remarkable experience of observing and swimming with them. Return to shore in the early afternoon and on to Todos Santos. Get settled back into your room at your boutique hotel, rest up, then head out for a terrific dinner in town. Note: Whale shark season is strictly regulated and local authorities may suspend access to protect these endangered giants based on migration patterns. In this case, we will work with your guide to arrange another fun way to experience the many natural wonders of Baja.

ACCOMMODATION: Los Colibris Casitas, Todos Santos

MEALS: Breakfast | Lunch | Dinner

TRANSPORTATION: Half-day motorized boat ride, 90-minute private van transfer

Catch a Wave at Todos Santos

Enjoy a terrific Mexican breakfast then head to Los Cerritos, widely considered one of the best surf breaks in Baja. No experience? No problem! Your instructors guarantee that you'll ride the waves - at least for a moment - during your first hour of instruction. Bring a picnic lunch and spend the balance of the day simply enjoying the beach. There will be time in the afternoon to walk into town to check out the shops and art galleries of Todos Santos. This evening local lawyer turned chef Iker Algorri, author of Cooking Adventures in Baja California Sur and chef-in-residence at Los Colibris Casitas, will lead a wonderful Mexican Survival Cooking Class. The emphasis is on having as much fun as possible, learning to make the perfect margarita, and gaining the skill to make some truly delicious Mexican dishes following Chef Iker's cooking philosophy, the Magnificence of Simplicity. Listen to and learn about some great Latin music you may never have heard before. Be warned - dancing is often known to follow this class!
