The Itinerary

DAY 01

Marvel at an Ancient Pueblo, Architectural Landmark & Grand Canyon Views

Your trip begins after meeting up with your guides and group in Tempe or Flagstaff, Arizona. Together you head north through the Sonoran Desert and Sunset Crater National Monument with stunning views of its towering cinder cone and volcanic terrain. After a scenic stop for lunch, explore the stone foundations of 12th-century Wupatki Pueblo and the “breathing earth” at Wupatki National Monument, where past civilizations and natural wonders leave a lasting impression. As you enter the park, pause at the 70-foot-tall Desert View Watchtower, perched on the canyon's edge. Designed by Mary Colter in 1932, Desert View contains a wealth of murals depicting Hopi traditions and stories. Arriving at the South Rim of the Grand Canyon National Park, you will have some free time to enjoy panoramic views of this awe-inspiring gorge. Feel the excitement rising at dinner this evening, as your guides explain what to expect during tomorrow's adventure down to Phantom Ranch.

DAY 02

Descend the South Kaibab Trail & Arrive at Phantom Ranch

Begin your journey into the inner canyon on the most direct—and one of the most scenic—routes to the Colorado River. The hand-built South Kaibab Trail follows open ridgelines that provide jaw-dropping 360-degree views throughout the seven-mile descent. Hiking down along a series of switchbacks, you eventually reach the aptly named Ooh-Aah Point before continuing on to Cedar Ridge, a flat plateau where you may encounter a mule train en route to the bottom of the canyon. At Skeleton Point, peer down and catch a glimpse of the mighty Colorado, perpetually carving its way through the canyon as it has for millions of years. The last part of your hike leads you along the big river itself, then over a suspension bridge as you approach Phantom Ranch, serenely nestled on the banks of Bright Angel Creek. Tonight, you enjoy a hot meal at the Phantom Ranch Canteen before stepping outside to gaze up at an inky canopy speckled with countless twinkling stars.

ACTIVITY: 7 miles hiking with 4,780' elevation loss

Reach the South Rim via Bright Angel Trail & Havasupai Gardens

At sunrise, prepare to conquer the canyon, ascending on the iconic Bright Angel Trail. After crossing the Colorado River, the path winds up to the shady oasis of Havasupai Gardens, where you'll eat lunch and replenish your water. Your next challenge is Jacob's Ladder, a steep climb through the Redwall layer. This demanding hike calls for endurance, but your guides will share essential tips for a successful ascent. With proper hydration, pacing, and determination, you'll soon be celebrating at the rim, exchanging high-fives and pats on the back. Just a few steps away, your lodge offers a well-earned retreat. Tonight, you'll relish your achievement with a celebratory gathering before settling in for a restful night.

ACCOMMODATION: Thunderbird Lodge or Kachina Lodge

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: 10 miles hiking with 4,300' elevation gain

Explore the South Rim & Depart

For those eager to soak in more canyon views, the Rim Trail offers a scenic walk along the South Rim, with breathtaking overlooks and a chance to reflect on your journey. Stop by historic landmarks like the Mary Colter-designed Hopi House or explore the many interpretive centers to learn more about the canyon's geology and history. Enjoy a relaxed morning taking in the sights before departing for your drop-off location in Flagstaff or Tempe in the late afternoon. As your adventure winds down, depart carrying unforgettable memories of your time at the Grand Canyon.

Where You'll Stay

These accommodations may be subject to change depending on your date of travel.

Thunderbird Lodge

Built near the Bright Angel Trail head and the Vercamps Visitor Center, the Thunderbird is a popular South Rim lodge. Contemporary 1960s architecture coupled with a wonderful vantage point ensure an unforgettable stay on the very edge (literally) of a natural wonder of the world. Comfortable rooms have all the expected amenities but the biggest draw is the location.

Kachina Lodge

Perched on the Grand Canyon's South Rim, the Kachina Lodge boasts a contemporary setup near the historic district, and rooms complete with amenities like full baths and flat-screen TVs. The lodge is a convenient and comfortable hub for guests eager to immerse themselves in the beauty of the Grand Canyon.

Phantom Ranch

Founded in 1903 as a hunting camp, Phantom Ranch is a National Park Service-owned and operated outpost in the depths of the Grand Canyon, and the only lodging below the canyon rim. Made up of a main lodge and shared dorm-style cabins, it's known for its hearty meals prepared by the rangers. The cabins are traditional and very comfortable, providing a peaceful place to rest your head.
