Unrivalled Expertise

MT Sobek started it all! Since our first Everest Base Camp trek in 1969, we've been leading award-winning adventures and building authentic connections in far-flung locations around the world. We were named Best Adventure Travel Company by Newsweek Readers' Choice Awards.

Unique Trip Design

Our adventures are perfectly paced, with incredible attention to detail — the right mix of fun, learning, and challenge that guarantees lifelong memories. Plan nothing, enjoy everything. We take care of all of the logistics so that you can have more time to do what's most important: relax, take in the experience, and enjoy!

Small Groups

We keep our groups intentionally small — usually fewer than 10 people. This allows you a more intimate experience with the people and wildlife you encounter. With a smaller group size, we can take advantage of many unexpected invitations and opportunities that would be impossible with larger groups.

The Itinerary

DAY 01

Welcome to Tanzania

Arrive at Kilimanjaro International Airport in Arusha and meet with MT Sobek trip leaders outside the customs and immigration area. Transfer to Moivaro Lodge, set on a tree-shaded coffee plantation in Arusha.

DAY 02

Drive to Tarangire National Park

Rise this morning for your drive to Tarangire National Park in the Great Rift Valley. This scenic park has expansive baobab-studded grasslands stretching in every direction and amazing elephant viewing. In fact, the elephant of Tarangire will be one of your most lasting memories of the entire trip! Arrive at the lodge in time for lunch, then head out for the first game drive. Tarangire River attracts a number of thirsty inhabitants - watch a parade of wild animals make their way over for a drink: huge herds of buffalo and elephant, blue wildebeest, zebra, hartebeest, impala, reedbuck, lion, and leopard. In the late afternoon, return to the lodge for sundowners and a delicious dinner.

MEALS: Breakfast | Lunch | Dinner

TRANSPORTATION: 3.5-hour private transfer

ACTIVITY: Game drives in pop-top roof 4X4 vehicle

DAY 03

Explore Tarangire National Park

Ease into the rhythm of the bush: wake early to the chorus of birds and spend another full day discovering Tarangire's wildlife. With luck, observe safari oddities: the beautiful lesser kudu antelope and the hard-to-find African python. After sundown, thrill to the roar of lions in the night.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Two 4 - 5 hour game drives in pop-top roof 4X4 vehicle

DAY 04

Visit Lake Manyara & Meet the Maasai People

Drive 45 minutes through the Rift Valley to Lake Manyara National Park, home to stunning wildlife. Notice the colorful water birds — herons, storks, ibises, and fish eagles, and look out for impala, giraffe, zebra, blue wildebeest, and buffalo. Then drive into the highlands above the Ngorongoro Crater to meet the Maasai people, whose traditional welcome dance features athletic leaps and earth-shaking stomping. Enter typical homes made of cut branches, mud, and cow dung. Wrap up with a stay at the MT Sobek Deluxe Camp in the Crater Highlands.

MEALS: Breakfast | Lunch | Dinner

TRANSPORTATION: 1.5-hour vehicle transfer

ACTIVITY: 4 - 5 hour game drive by pop-top roof 4X4 vehicle

Journey to Ngorongoro Crater

The Ngorongoro Crater, almost entirely open country, presents spectacular views of wildlife within a 100-square-mile steep green wall frame. Close in on a group of zebra, buffalo, or black rhino gazing across the plains. Watch herds of white-bearded wildebeest and gazelle mingle. Find elephants, hyenas, and lion prides. Top the six-hour crater safari with brilliant birds: clusters of flamingos, the auger buzzard, bateleur, jacana, little bee-eater, and the red bishop. Head out for a sunset ridge walk for an Ol Pul (meat feast) with new Maasai friends.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Full day game drive by pop-top roof 4X4 vehicle & 10-minute sunset walk

Discover the Stunning Serengeti

Descend from the Ngorongoro highlands onto the vast plains of the Serengeti, with their classic granite kopjes — rounded boulders shaped by wind over the eons. Deeper into the Serengeti, notice the vegetation change into riverine woodland and acacia tree valleys as you continue on to the next tented camp.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Full day game drives in pop-top roof 4X4 vehicle

Classic Serengeti Safari

All aboard for a day of classic game viewing! The savannah woodlands are a mosaic of habitats: small grassy plains mix with tree savannas and areas of dense bush, making for a greater diversity of animals. See buffalo, giraffe, dik-dik, reedbuck, impala, waterbuck, baboons, and vervet monkeys — all common residents, as are lion, cheetah, leopard, and hyena. Hippos and crocodiles occupy several rivers in the woodlands of the north; the Seronera River area is one of Africa's best for encounters with the elusive leopard.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Two 4-5 hour game drives in pop-top roof 4X4 vehicle

DAY 08

Experience the Serengeti on Foot

After breakfast, grab water bottles, binoculars, and snacks, and head out for a short Serengeti orientation stroll to learn about walking in the bush, then continue your adventure on foot. Hiking in the Serengeti isn't about covering a lot of ground; it's about really experiencing Africa up close and personal, reveling in the smaller sights, smells, and feelings that are missed from a car. Stop for lunch under a shady tree or a cool overhang, perhaps overlooking a waterhole or small plain, and continue hiking in the afternoon.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Morning & afternoon walking safari

DAY 09

Walk the Serengeti's Wild Side

On the second day, become a true pioneer. Discover places unvisited by man for over half a century, with no roads. Look out for secret spots that animals use to survive — the natural salt lick, the pool in the steam that never dries. Find the best place to cross the river, the ridge with the best views, the meadow with the sweetest grass, and the kopje with the coolest breeze.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Morning & afternoon walking safari

Trace Wildlife Trails in the Serengeti

Make the most of your final day in the Serengeti. Move slowly with MT Sobek guides interpreting Serengeti's enticing sights and smells. Find a lion's paw print in the damp ground, watch a dung beetle roll a ball of dung uphill, smell a herd of elephants before you spot them in the valley below. Follow a stream in hope of seeing game come down for a drink, or climb up a kopje boulder to get better views of the striking landscape. Come evening, relax at the camp's bug-proof mess tent.

MEALS: Breakfast | Lunch | Dinner

ACTIVITY: Morning & afternoon walking safari

Depart Tanzania

After a pleasant morning game drive and lunch, fly back to Arusha Airport, where dayrooms at the Moivaro Lodge await. Schedule your departure flight from Kilimanjaro International Airport (JRO) no earlier than 7pm.
